KCn **AB** • BCn **A1A2** • aAa **321**

BIGSHOT x LEGACY x LEGENDARY

HIGH NM\$ SIRE • FITNESS IMPROVER

BIGPACK is the first Bigshot son out of the famous cow family of Welcome Legendary Gale EX-90. He can also convince with solid performance, high content, positive daughter fertility and low values for SCS. Regarding his conformation he is able to actively reduce size and still inherit width. The combination of very balanced feet & legs inheritance and trouble free udders with over 1000 NM\$ makes him a recommendation for large commercial dairy farms.

KCn **AB** • BCn **A1A1** • aAa **243**

BOSA x LEGACY x REASON

ELITE GTPI & NM\$ • OUTSTANDING TYPE & UDDERS

With BOSVITO we have a bull on offer that is second to none when it comes to absolute breeding value height in combination with conformation and functional traits. This is no coincidence, as he is a direct descendant of none other than Cookiecutter Mom Halo VG-88. This young Bosa son out of a Legacy is faultless in all breeding values and is currently used internationally as sire of sons. One of the few options to buy such a bull on the free market.

ARROZO x LEGACY x LEGENDARY

MILK & BUTTERFAT YIELD • FITNESS SPECIALIST

The Arozzo son GENTRY out of none other than Welcome Legendary Gale EX-90 is a very complete and also in conformation pleasing young bull. He shows a solid performance heredity with extremely high components and positive daughter fertility. Also in the other, functional traits GENTRY can absolutely convince. His linear profile meets the expectations of modern dairy farms in an almost ideal way, little size, strength and width combined with shallow and wide rear udders.
