FR4909400277 • Born: 11/10/2020
KCn **BB** • BCn **A2A2** • aAa **423651**
O MALLEY x VIGOR x JULENG

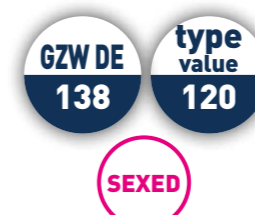

TOP TYPE AND MILK

He remains the best son of O Malley for milk at +1302! Associated with a flawless linear morphology, it will bring dimensions in the body and rump, with very good feet and legs. The udders will be very good with a strong ligament and a high rear attachment. He is also a daughter fertility improver and BB A2A2 enhancer.

TITANIUM

FR1222244648 • Born: 26/02/2022
KCn **BB** • BCn **A2A2**
NORO x NICE GP x ALASKO

NUMBER 1 GENOMIC FOREIGN BULL IN GERMANY

This is our first NORO son, from one of the highest ranking NICE GP daughter in France. She produced in her 1st lactation 7990 kg at 3,95% F & 3,76%P and hails from another new cow family too in BGS program. TITANIUM will bring the balanced breeding with very complete type, especially udder and width of chest. He is the highest foreign genomic bull in Germany at 138 GZW, and best Noro son. In Switzerland with 1457 GZW he is in the top 5 of all available sires.

KCn **BB** • BCn **A2A2** • aAa **261435**
ARISTO x BENDER x JEROBOAM

STRONG FAMILY FOR THE BEST ARISTO SON IN GERMANY

This Aristo son is also out of a new cow family from BGS program. The foundation for production is really strong : his dam Omega has a 2nd lactation of 10 668 kg at 4,85% F & 3,79%P, the granddam (Jeroboam) made 12 495 kg at 4,25%F 3,74%P and great granddam (Traction) achieved 13 212 kg at 3,87%F 3,4 %P, both scored VG too. TABEO will sire very good frames, cows with top fitness traits and high components. He will improve feet and legs and breed the ideal medium teat size. He is the highest ARISTO son in Germany at GZW 128.

O MALLEY x IFEELING x PAYSSLI

EXCELLENT COMBINATION OF UDDER AND PRODUCTION

He combines two of the most famous French bulls in the world: O MALLEY the most used sire of sons in the recent years and IFEELING, probably one of the best proven bull with super production! He comes from a new cow family with great potential and his dam show a VG 87 udder too! He can bring at the same time an excellent longevity proof : cows with moderate size and very well attached udders, and ideal rumps. Functionality is there to make them last and he is a calving ease sire too.
